Bug ID: 002

Summary: Users cannot be able to Delete the created card on the list on the Board page.

Description: Users cannot be able to Delete the created card on the list on the Board page.

Steps:

1. Launch Chrome Browser.

2. Enter Uninterrupted Web Application URL. (https://trello.com/)

3. Login to the Valid credentials.

4. Click on the already created Board.

5. Click on the Add card button on the created list.

6. Create a card.

7. Click on the already created card.

8. Try to delete the card.

Note: We can delete the Card once after Archive the card then Delete it on the Web, but in Mobile, we can directly delete the Card.

Severity: **Major**
